

## Membership Application

The Disability Rights Bar Association (DRBA) is a mission-based Bar Association established for the purpose of defending and advancing the civil, legal and human rights of individuals with disabilities. DRBA welcomes membership applications from attorneys working in the area of Disability Rights Law as litigators, academics or policy advocates.

Members of DRBA act pursuant to a number of shared values and common objectives. See, [disabilityrights-law.org](http://disabilityrights-law.org). As such, membership is selective, and requires that individuals confirm, on an annual basis, that their work befits and forwards a disability rights agenda.

To be considered for DRBA membership, please complete this application as thoroughly and accurately as possible.
